A BILL

For an ordinance amending the Revised Municipal Code of the City and County of Denver to provide an additional exemption from proximity restrictions for currently operating retail tobacco stores and waive first renewal fees for retail tobacco stores that received a license prior to July 1, 2020.

WHEREAS, the emergence of the COVID 19 pandemic in Denver led to an emergency declaration for the City on March 12, 2020; and

WHEREAS, most retail tobacco establishments significantly modified their standard business operations as a result of the COVID 19 pandemic and subsequent public health orders in 2020; and

WHEREAS, most City operations supporting the procurement of a retail tobacco license were delayed or significantly reduced in 2020; and

WHEREAS, due to the COVID 19 pandemic, all in-person outreach to retail tobacco establishments regarding the new Retail Tobacco Store License ceased on March 12, 2020 and did not resume until November 23, 2020.

NOW THEREFORE, BE IT ENACTED BY THE COUNCIL OF THE CITY AND COUNTY OF DENVER:

Section 1. Chapter 24, Article XI, Division 2, of the Denver Revised Municipal Code shall be amended by adding the language underlined and deleting the language stricken to read as follows:

“Sec. 24-422. – Grounds for denial.

(a) An application for a retail tobacco store license may be denied under this division 2 if:

(1) The applicant, or a principal of the applicant, has received notice of any violation of a federal, state, or local law related to tobacco sales, or rule or regulation adopted pursuant thereto;

(2) The applicant fails to obtain all necessary permits, licenses, and other regulatory approvals required by all state and local laws, and any rules and regulations adopted pursuant thereto; or

1 (3) The applicant proposes to operate on a temporary (less than a year), pop-up, or
2 mobile basis. However, this subsection (3) shall not apply to an applicant who proposes to operate
3 a regularly scheduled tobacco trade show where tobacco products will be sold on a temporary basis.

4 (b) In addition to the grounds set forth in chapter 32 of this Code, an application for a retail
5 tobacco store license shall be denied under this division 2 if:

6 (2) This subsection (b) shall not apply to any application for a retail tobacco store
7 license submitted on or before January 1, 2021, or to an applicant who can produce to the
8 satisfaction of the director documentary or other empirical evidence that the sale of tobacco products
9 occurred at the subject location prior to January 1, 2021. Documentary or empirical evidence shall
10 include documentation that verifies the sale of tobacco at the subject location, including but not
11 limited to, tax documents, sales receipts, or other documentation deemed sufficient by the director.
12 An affidavit stating that the retail tobacco store sold tobacco products prior to January 1, 2021,
13 without additional documentation, shall not constitute sufficient documentary or empirical evidence
14 for purposes of this paragraph (2).

15 **Sec. 24-423. – Transferability of license.**

16 (a) *In general.* For the purposes of this division 2, the transfer, sale, or assignment of more
17 than fifty (50) percent ownership interest in a retail tobacco store shall be deemed a transfer of
18 ownership.

19 (b) *Ownership transferable.* A retail tobacco store license shall be transferable from one (1)
20 person to another upon approval by the director. Any application to transfer ownership of a retail
21 tobacco store license may be denied for the reasons set forth in section 24-422, except that any
22 transfer of ownership of a retail tobacco store license shall not affect any exemption that the licensed
23 premises may enjoy from the location restrictions set forth in section 24-422(b)(2).

24 (c) *Location nontransferable.* No retail tobacco store license shall be transferable from one
25 (1) location to another.”
